

Meet the Experts

Don't miss our daily *Meet the Experts* discussion series on innovations in radiation oncology. Join us in booth to discuss care pathways, deep learning techniques, RT planning, theranostics and more!

Theater Session Title	Speaker(s)	Time
Saturday		
Latest innovations in theranostics	Maxime Teisseire (GE HealthCare)	Saturday 11:00 am
MRI-only workflow for radiotherapy - Improvements from new coils and novel image reconstruction	Christian Jamtheim Gustafsson, PhD (Lund University)	Saturday 1:30 pm
Lung care pathway	Sylvain Ruezé, PhD (GE HealthCare)	Saturday 2:30 pm
Sunday		
Auto-segmentation of organs at risk on CT images	Michail Fanariotis, MD, PhD (GE HealthCare)	Sunday 10:00 am
Deep-learning based auto segmentation on MRI	Hazel McCallum, PhD (Newcastle University)	Sunday 1:30 pm
Interoperability and workflows in radiation oncology	John Wolfgang, PhD (MGH) & Sylvain Ruezé/Tim Lin (GE HealthCare)	Sunday 2:30 pm
Monday		
Breast care pathway and point of care treatment planning	To Be Confirmed	Monday 10:00 am
Prostate care pathway with PET/MR	Almos Elekes (GE HealthCare)	Monday 1:30 pm
Brain care pathway	Cristina Cozzini, PhD (GE HealthCare)	Monday 2:30 pm
