

ESC Congress 2024 | Educational workshops

GE HealthCare has joined forces with leading experts to create an educational initiative that includes live demonstrations. Attend our sessions to explore the benefits of the Vivid Ultra Edition in a variety of clinical environments.

Friday

30th
August

09:00-10:30

Anatomy meets echocardiography in wet lab dissection

Dr. Arionilson Gomes & LifeTech

11:00-12:30

Learn by doing on echocardiography strain imaging

Dr. Arionilson Gomes

13:00-14:30

Echocardiography tips & trick: Innovation for faster standard exam

Dr. Arionilson Gomes

15:00-16:30

Live scanning with TEE, how? Basics TEE tips & tricks to best diagnose your patients

Dr. Kostas Papadopoulos

16:30-18:30

Echocardiography live scanning & Hands-on: Tricuspid Valve: The Keys to Tricuspid Valve Echocardiography

Prof. Erwan Donal

Saturday

31st
August

09:00-10:30

Anatomy meets echocardiography in wet lab dissection

Prof. Augustin Coisne & LifeTech

11:00-12:30

Learn by doing on echocardiography strain imaging

Dr. Ruxandra Jurcut

13:00-14:30

Echocardiography tips & trick: Innovation for faster standard exam

Dr. Arionilson Gomes

15:00-16:30

Live scanning with TEE, how? Basics TEE tips & tricks to best diagnose your patients

Dr. Kostas Papadopoulos

16:30-18:30

Echocardiography live scanning & Hands-on: Mitral Valve: From anatomy to full diagnostic

Dr. Corrado Fiore

Sunday

1st
September

09:00-10:30

Anatomy meets echocardiography in wet lab dissection

Prof. Augustin Coisne & LifeTech

11:00-12:30

Learn by doing on echocardiography strain imaging

Dr. Ruxandra Jurcut

13:00-14:30

Echocardiography tips & trick: Innovation for faster standard exam

Kosmas Benekos

15:00-16:30

Live scanning with TEE, how? Basics TEE tips & trick to best guide complex procedures

Dr. Kostas Papadopoulos

16:30-18:30

Live echo scanning & Hands-on Aortic: Echocardiography, from anatomy to full diagnostic

Dr. Mohamed Rashad

Monday

2nd
September

09:00-10:30

Anatomy meets echocardiography in wet lab dissection

Dr. Benoy Shay & LifeTech

11:00-12:30

Learn by doing on echocardiography strain imaging

Dr. Ruxandra Jurcut

13:00-14:30

Echocardiography tips & trick: Innovation for faster standard exam

Dr. Maja Cikes

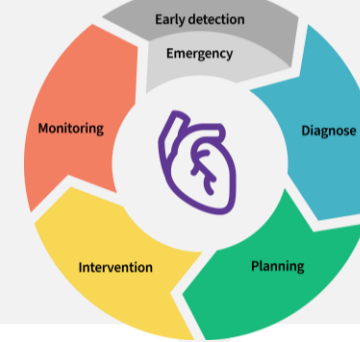

15:00-16:30

Live scanning with TEE, how? Basics TEE tips & trick to best guide complex procedures

Dr. Kostas Papadopoulos

ESC Congress 2024 | Educational workshops

GE HealthCare and key opinion leaders partnered together to develop an educational program, including live demonstrations. Join us to learn more about the benefits of GE HealthCare's full cardiology portfolio of solutions in different clinical settings.

Friday

30th
August

11:00-11:45

How artificial intelligence enables earlier patient referral based on a handheld echo (Vscan Air)

15:00-15:45

Bed-side echo and artificial intelligence- get to know the new dream team handheld innovation (Vscan Air)

16:00-16:45

CT Guided PCI: Explore the integration of CT in the cathlab (IGS)

Saturday

31st
August

10:00-10:45

Artificial intelligence (AI) basics – cracking the code of AI for healthcare professionals – Part A (PCS)

11:00-11:45

Artificial intelligence (AI) clinical applications– cracking the code of AI for healthcare professionals – Part B (PCS)

14:00-14:45

Innovative AI Workflows in Cardiac MRI: Charting New Horizons - Hands-On Training (MR)

15:00-15:45

3DStent: The new perspective for stent visualization (IGS)

16:00-16:45

Cardiology IT solution: improvements in the users experience and in the patient care (CVIT)

Sunday

1st
September

10:00-10:45

Innovative AI Workflows in Cardiac MRI: Charting New Horizons - Hands-On Training (MR)

11:00-11:45

The usage of multi-organ handheld ultrasound - when is it a must-have? (Vscan Air)

13:00-13:45

Cardiology care pathway: positive impact of an IT solution (CVIT)

14:00-14:45

CT Guided PCI: Explore the integration of CT in the cathlab (IGS)

Monday

2nd
September

10:00-10:45

Cardiology care pathway: positive impact of an IT solution (CVIT)

11:00-11:45

3DStent: The new perspective for stent visualization (IGS)

ESC Congress 2024 | In-booth presentations

GE HealthCare and key opinion leaders partnered together to develop an educational program, including live demonstrations. Join us to learn more about the benefits of GE HealthCare's full cardiology portfolio of solutions in different clinical settings.

Friday

30th
August

10:30-10:45

One Stop Clinic- MediPort

Saturday

31st
August

15:30-16:00

Our experiences with Allia IGS 5 and
Medis QFR V3.0 - IGS
