

ESC Congress 2025 | Educational workshops

GE HealthCare and key opinion leaders partnered together to develop an educational program, including live demonstrations. Join us to learn more about the benefits of GE HealthCare's full cardiology portfolio of solutions in different clinical settings.

Friday

29th
August

11:00-11:45

Volume status with point of care ultrasound — Echo, LUS and VExUS

[Dr. Martin Altersberger](#)

13:00-13:45

One heartbeat, many insights: Transforming coronary and structural imaging with wide-detector CT

[Dr. Ana Gonzalez Mansilla](#)

14:00-14:45

Digital 12-lead ECG: What is hidden behind the clinical report?

[Pyotr G. Platonov, M.D., Ph.D.](#)

15:00-15:45

IGS: Explore how CT Guided PCI and 3DStent can shape your cathlab practice

[Dr. Carlos Collet](#)

Saturday

30th
August

10:00-10:45

Handheld ultrasound cases from the heart of the ICU

[Dr. Martin Altersberger](#)

11:00-11:45

The power of signals in arrhythmias treatment using an innovative EP recording

[Dr. Tomás Datino](#)

13:00-13:45

Enhancing clinical practice through advanced ECG analysis and database utilization

[Rosa Jiménez Hernández, M.D.](#)

14:00-14:45

STEMI meets innovation: Tackling multivessel disease with smart IT solutions

[Marta Belmonte, M.D.](#)

15:00-15:45

Beyond anatomy: Functional insights with CT Myocardial Perfusion

[Prof. Gianluca Pontone](#)

16:00-16:45

IGS: Explore how CT Guided PCI and 3DStent can shape your cathlab practice

[Dr. Carlos Collet](#)

Sunday

31st
August

11:00-11:45

Single-beat CT imaging: Transforming CAD and structural heart planning

[Dr. Carmen Garrote](#)

13:00-13:45

Handheld ultrasound tips and tricks for vascular access

[Dr. Martin Altersberger](#)

14:00-14:45

Precision in motion: Technical and clinical mastery of single-heartbeat cardiac CT

[Dr. Jose Juan Gómez de Diego](#)

15:00-15:45

STEMI meets innovation: Tackling multivessel disease with smart IT solutions

[Marta Belmonte, M.D.](#)

Friday

29th
August

09:00-10:30

Echo meets anatomy: Wet lab dissection
Kosmas Benekos
In collaboration with LifeTec

11:00-12:15

Strain beyond the basis:
Echocardiography, learn by doing
Prof. Jens-Uwe Voigt

14:00-15:30

Right Heart Echo Academy: How to assess
the right ventricle in 2025
Charles Fauvel, M.D.

15:30-17:00

Left Heart Echo Academy: How to assess the
left ventricle in 2025
Nicolas Merke

17:00-18:30

Zoom on the Tricuspid Valve
Konstantinos Papadopoulos

Saturday

30th
August

09:00-10:30

Echo meets anatomy: Wet lab dissection
Kosmas Benekos
In collaboration with LifeTec

11:00-12:30

Strain beyond the basis:
Echocardiography, learn by doing
Prof. Jens-Uwe Voigt

13:00-14:30

Right Heart Echo Academy: How to assess
the right ventricle in 2025
Charles Fauvel, M.D.

15:00-16:30

Left Heart Echo Academy: How to assess the
left ventricle in 2025
Nicolas Merke

16:30-18:00

Zoom on the Mitral Valve
Konstantinos Papadopoulos

Sunday

31st
August

09:00-10:30

Echo meets anatomy: Wet lab dissection
Kosmas Benekos
In collaboration with LifeTec

11:00-12:30

Strain beyond the basis:
Echocardiography, learn by doing
Prof. Jens-Uwe Voigt

13:00-14:30

Right Heart Echo Academy: How to assess
the right ventricle in 2025
Charles Fauvel, M.D.

15:00-16:30

Left Heart Echo Academy: How to assess the
left ventricle in 2025
Nicolas Merke

16:30-18:00

Zoom on the Aortic Valve
Konstantinos Papadopoulos

Monday

1st
September

09:00-10:30

Echo meets anatomy: Wet lab dissection
Kosmas Benekos
In collaboration with LifeTec

11:00-12:30

Strain beyond the basis:
Echocardiography, learn by doing
Prof. Jens-Uwe Voigt

13:00-14:30

Right Heart Echo Academy: How to assess
the right ventricle in 2025
Charles Fauvel, M.D.

Friday

29th
August

09:00-10:30

World unveiling: The echo revolution —
Reinventing workflow through
AI & simplicity
Rebecca Perry

10:30-12:00

World unveiling: The new standard in
echo — Unveiling the unseen. Mastering
image quality
Prof. Luigi Paolo Badano

14:00-15:30

World unveiling: Echo, redefined — Advanced
color doppler
Prof. Erwan Donal

15:30-17:00

World unveiling: Echo at the heart of
structural interventions
Dr. Marta Sitges

17:00-18:00

World unveiling: Advancing echo today —
Small heart, big impact
Dr. Ferran Roses Noguier

Saturday

30th
August

09:00-10:30

World unveiling: Echo at the heart of
structural interventions
Dr. Marta Sitges

11:00-12:30

World unveiling: The new standard in
echo — Unveiling the unseen. Mastering
image quality
Prof. Luigi Paolo Badano

13:00-14:30

Friday

29th
August

Ankara Meeting Room

12:30-13:30

World unveiling: Pioneering the future of echo
[Dr. Marta Sitges](#), [Dr. Ferran Roses Noguer](#),
[Rebecca Perry](#), [Prof. Erwan Donal](#),
[Prof. Luigi Paolo Badano](#)

Booth C400

13:45-14:00

CVUS NPI Unveiling / Launch
[Forthcoming](#)

Saturday

30th
August

Booth C400

13:00-13:30

Allia™ platform upgrade paths for Interventional
cardiology
[Katia Olivereau Palamodov](#)

14:00-14:45

How can stent assessment in 3D change your
cathlab practice?
[Dr. Carlos Collet](#)

Sunday

31st
August

Booth C400

11:00-11:45

Angio based FFR with Medis QFR 3.1: The next-generation
solution for coronary physiology
[TBD](#)
